

My family has been listening to K-LOVE at 91.9 on our FM dial for many years. K-LOVE has the most positive, uplifting music and programming and is the most family-friendly radio we have ever found. We listen to it daily and contribute to it financially monthly. K-LOVE offers valuable public service air time to our community and has a long history of listener support. We don't pay to listen to any other radio! Part of why we support K-LOVE is the prayer and encouragement their staff provides to people who are in a hard place in life. If K-LOVE is forced off the air by an LPFM station in our area, people in our community would be left without the support of this station. Please do not let a Low Power FM station force the K-LOVE FM translators off the air!
